# RS 5 TOWER

## QUALITY AND STABILITY

The Safe-Quick® GuardRail protects you all around. Before entering the platform, the fixed railings and braces are already in place. Thanks to this innovation, only loose braces are needed in the lowest section of your rolling tower. So it is safer and faster.

- Light-weight Fiber-Deck® platforms
- Double braked wheels 25 cm adjustable
- Load of 250kg per platfrom
- Configure to a height of 14.20m
- Dimensions:

**RS 51:** Width: 0.75x Length: 2.45 m

**RS 52:** 1.35x2.45m
