

**Scaffolding Solutions**

## PROFESSIONAL USE

- Available with end or walk-through stirrups
- Stable, strong and reliable
- Modular system, many possible configurations
- Up to 21 metres in length

# Suspended Platforms

Altrex suspended platforms are sturdy, strong and reliable. The suspended platform system is modular, so that you can enjoy numerous configurations. With its very strong cables and tackles, you are always standing safely at heights. Thanks to the loose components, the suspended platforms can be easily transported and stored.
